Please note - if your NAVHDA dog registration number is pending and is not received by the Test Secretary at least two weeks prior to the first test day of a 2 or 3 day test schedule your entry fee will be forfeited.

Our test entry refund policy is as follows: Handler's pulling a dog prior to 45 days before a test will receive a full refund. Written requests for refund must be sent to the Test Secretary. There will be no refunds of entry fees for pulling a dog at or within 45 days of the first test date of a 2 or 3 day test. Pulling a dog at or within that 45 day timeframe will result in a total forfeiture of your entry fee.

Refund exception - refunds will be made for medical reasons only. Requests for refunds must be submitted in writing to the Test Secretary, accompanied by a verifying statement from a physician or veterinarian. The Test Secretary must receive letters no later than 15 days after the last day of the test.

The Test Secretary will send you an email upon receipt of your test entry form.

Approximately 3 to 4 weeks prior to the test you will receive information about the test which will include your running day.

We try very hard to accommodate everyone's wishes concerning running days but at times it is not possible.

Filling vacancies - When or if a test opening should become available in the test, potential test applicants will be notified in the order of the applications received.
